In the drop-down list, select RosKassa, name your payment method and select the default currency, activate the system.

Fill in the main fields of the payment system.

The letter will indicate the reason and basic information about the payment.

Then, enter the URLs in “RosKassa account → Store → Settings”. These URLs can be copied from the section “Information for setting up the store” in the module settings.

Select your project

The screenshot shows the 'Cabinet' dashboard for a project named 'simpla'. The left sidebar contains navigation links: Cabinet, Payments, Payouts, Invoices, Personal wallets (marked as new), Affiliate program, Complete documentation, and Integration. The main content area is divided into several sections:

- Payment statistics:** Shows a legend for 'Successful' (blue dot) and 'Not paid' (red dot). Below this, there are three rows for earnings in Rubles (RUB), Dollars (USD), and Euro (EUR), each showing a balance of 0.00.
- Notifications:** A list of three notifications stating 'Your shop status was changed' and 'Your shop [ID] activated!' with timestamps.
- Successful transactions:** A section indicating 'No operations'.
- Balance:** A summary of balances for Rubles (RUB), Dollars (USD), and Euro (EUR), all showing 0.00.

The top of the dashboard includes a search bar, a 'New project' button, and a user profile icon.

For example of settings

The screenshot shows the 'Site settings' page for the 'simpla' project. The left sidebar is identical to the previous screenshot. The main content area is divided into two columns:

- Project settings:** Contains fields for 'Keys' (Shop ID, Secret KEY, API KEY) and 'Notification URL' (URL). Below these are 'Call forwarding' settings (Fail URL, Success URL) and a 'Save' button.
- Tariffs and commissions:** A list of payment methods with their respective commission rates and toggle switches to enable/disable them. The methods include iOMoney (7%), Perfect Money USD (1%), Perfect Money EUR (1.5%), Bitcoin (4%), Litecoin (4%), Ethereum (5%), and Apple Pay (0%). A 'Transfer commission to buyer' toggle is also present.

The bottom of the 'Tariffs and commissions' section shows a 'Distribute commission' slider with 'Shop: 100%' and 'Buyer: 0%'.
